COBB COUNTY
PRAYER BREAKFAST

“Trust in the Lord with all your heart and do not lean on your own understanding. In all your ways acknowledge Him, and He will make your paths straight.” Proverbs 3:5-6

make an *impact*

Dear Prospective Sponsor,

Praying collectively, across denominations, can make an enormous impact in our community. The Cobb County Prayer Breakfast, an annual event for more than 30 years that has grown to 1,000 attendees, is focused on praying boldly, yet with humility, for the betterment of our country, our community, our schools and our families. Attendees include Cobb County leaders, businesses, residents, educators and students.

Sponsorships for the Cobb County Prayer Breakfast allow us to continue bringing local attendees from all walks of the community together in one location at one time for inspiration and fellowship. Funds raised by our sponsors allow us to continue this breakfast each year and help us keep the individual ticket prices reasonable. Please consider how you and your organization can make an impact either through sponsorship or a tax-deductible donation. Join us and witness how God moves mightily in response to collective prayer.

Thank you for your consideration in sponsoring our event on Thursday, May 3, 2018, the National Day of Prayer, at the Cobb Galleria Centre. For more information, please email info@cobbcountyprayerbreakfast.org or visit www.cobbcountyprayerbreakfast.org.

Prayerfully,

Andrew Egan, Co-Chair

OVERVIEW

MISSION

To join together as a community in corporate prayer for Cobb County, our country, our schools and our families.

HISTORY

In 1985, a small group of business, religious and public service leaders, along with the Cobb Chamber of Commerce, planned the first Cobb County Prayer Breakfast. The event was held at the Cobb County Civic Center and was attended by approximately 500 people, which was considered a huge success. It has grown to an event that attracts close to 1,000 attendees and is now held at the Cobb Galleria Centre.

Through the years, the speakers have been leaders who represented a variety of businesses and communities, including a former Prime Minister of England, a United States Ambassador, three Georgia governors, two United States Senators, three Congressmen, a Georgia Supreme Court Chief Justice, Fortune 500 CEOs, sports figures and religious leaders. All speakers have also been leaders within the Cobb community who have spoken from their hearts about the power of prayer in their lives.

The continued success of the Cobb County Prayer Breakfast is largely due to the involvement by local leaders as program participants. The leaders are highly respected because of their dedication of service to God and Country. Attendees include Cobb County businesses, residents, educators and students.
